Re: **Presentation on the Regulations for Residential Beekeeping**

Please place the above item on the September 26, 2023, City Council meeting agenda for City Council discussion and direction.

Background Information:

On May 10, 2022, the Irvine City Council passed and adopted Ordinance No. 22-07, "An Ordinance of the City Council of the City of Irvine approving zone change 00863847-PZC to amend the Zoning Ordinance and Municipal Code to provide new Citywide regulations for residential beekeeping."

We request that staff provide a brief presentation on the new program's first year. In response to the concerns raised about the initial (\$304.48) and annual (\$73.04) renewal permit fees, we ask the City Council to support modifying the procedures and regulations on residential beekeeping and provide staff with direction to initiate amendments to the Zoning Ordinance and Municipal Code.
